Femoral Stem

The CREST® Revision Hip System Cemented Femoral Stem design helps to ensure that the prosthesis remains firmly seated as the cement deforms. The polished, tapered design optimizes the transfer of compressive forces to the cement rather than shear forces. The polished surface allows the subsidence with minimal resistance or friction.

The collarless feature allows subsidence and stabilization to occur without the physical constraint of a collar. Micro-motion and subsidence have been shown to occur in total hip arthroplasty; therefore, the fact that these aspects are integrated into the design philosophy supports the outstanding clinical and radio graphic results of the CREST® Revision Hip System Cemented Femoral Stem.

Material : S.S (ISO 5832-1)

200 MM	
SIZE	CAT. NO. S.S
SMALL	SP05.THR3900
MEDIUM	SP05.THR3908
LARGE	SP05.THR3916

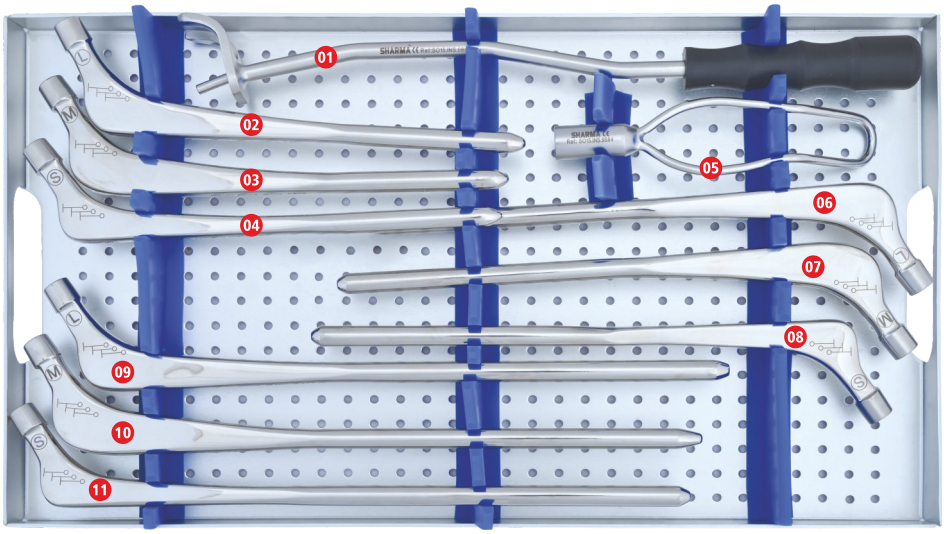

250 MM

Instrument Set *(Container)*

We feel proud to introduce ourselves as a foremost manufacturer and exporter in orthopedic implants and instruments. We offer a wide & growing range of the highest quality orthopedic implants, instrumentation, Medical Devices, Medical Disposables, Medical Equipments and Hospital furnitures along with other associated products at reasonable cost.

We have got a sound and firm position in the orthopedic industry by having a sturdy **network of distributors domestically & around the globe.** We are having the most modern technologies and are one of the leading manufacturers **(since 2014)** with pinnacle superiority of Ortho-Implants and instrumentations. We offer a wide range of **orthopedic Implants, Instrumentation, Medical Devices, Medical Disposables, Medical Equipments, Laboratory Consumables & Equipment and Hospital furnitures.** We have employed Quality management System which confirms to **ISO 9001 & ISO 13485** standards.

Our all products are **CE marked** and licensed by **Indian FDA** for manufacturing. Based on the principles of Quality Excellency, our product satisfies the expectations of our customers. We are associated with major medical Institutions of India for supplying the products. We continually participate in almost all major exhibitions of Orthopedics around the world to promote our products.

Our motto is to provide the **Best Quality Products** and to continue as a leading manufacturer and supplier of these products in the global market. We are growing rapidly in terms of world-wide sales because of our extensive product range, its quality & services by orthopedic surgeons.
